DEVELOPMENT

Pathways to Success for All Learners

Parenting your EF-Challenged Child:

Homework and Beyond

Imagine ...

... knowing how to help your child stay on top of school work, adjust to new routines, and cope effectively with challenges at home and in school.

Join us for an exciting, 2-part workshop where you will learn about executive function processes. Here is an opportunity to explore unique solutions for your specific needs.

This workshop will be led by a psychologist, Judith Stein, Ph.D. and a language & learning specialist, Kalyani Krishnan., M.A.

All of us at ILD are committed to helping ALL students become successful learners!

WHAT:

Session 1

Overview of Executive Function: Common challenges and effective solutions.

Session II

Hands-on Problem-Solving: Apply what you have learned to find unique solutions for your family and to develop your personal repertoire of strategies.

WHEN:

Saturday, May 2 and May 16, 2105
10 AM to 12 PM

WHERE:

Institute for Learning and Development
4 Militia Drive, Suite 20
Lexington, MA 02421

FEES:

\$235 covers both sessions. (\$160 for accompanying spouse) Optional recommended book: A Parent Guide to Hassle-free Homework (ResearchILD, 2007) available at ILD or \$15 or through outside purchase.

For information and registration, please call Dr. Judith Stein at 781-861-3711 ext. 101 or e-mail jstein@ildlex.org. Please sign up no later than May 3.

Attn: Dr. Judith Stein

Note: Registrations will be accepted on a first come, first served basis. There must be a minimum of 6 participants for the workshop to occur. You will be contacted once the class is formed. For more information, call 781-861-3711, ext. 101 or e-mail Judith Stein at jstein@ildlex.org.

Please answer the following questions to help us to learn more about your child.

What are your major concerns about your child?

Does your child carry a diagnosis currently (e.g. ADHD, learning disability, anxiety, mood disorder?)

What do you hope to learn at this workshop?

Have you attended any other talks or workshops on executive function processes? What questions are you still left with that we can help answer?
